Hello all,

I write to you today on behalf of the Colorado Pain Society Board of Directors to announce that we have made the difficult decision to cancel our Oct fall meeting.

After careful consideration, the CPS board has agreed to postpone the in-person CPS Annual Conference until next year. Please know this decision was reached with the well-being and safety of our members as our top priority. With the current restrictions in Eagle County it is not feasible to hold our conference in the current space.

For those of you who have registered to attend the CPS Annual Conference we will soon be issuing you a full refund of your registration fees. We are planning to hold the conference in April 2021. Please stay tuned for more details in the coming months.

Best regards,
